

NEVILLE RICHARDS WRECK2REEF OPEN WATER SWIM

IMPORTANT COMPETITOR INFORMATION

To ensure we provide a safe and enjoyable event for you, we ask you to please note and follow the safety procedures we have put in place for this year's event.

All competitors must pre-register online using RegisterNow, available from our website at www.wreck2reef.com.au.

Registrations will open on 1st December 2023. Competitor numbers will be capped at 350, and registrations will close once this number is reached. Limited 'on the day' registrations may be available if the cap is not reached – an additional late fee of \$10 is required.

PRE-EVENT

Feeling unwell, have cold or flu-like symptoms, or have been in contact with any known COVID-carriers? If so, please stay home.

We request that only registered participants or a parent, guardian, or coach of a minor enter the registration hall.

Spectators are requested to move directly to the foreshore area.

All registered competitors will be sent a QR code on the mobile phone nominated upon registration. Please ensure you have this phone with you to assist in speedy time band allocation in the registration hall.

ON ARRIVAL

Hand sanitiser will be provided at the registration hall entry point. Masks can be worn if preferred.

Numbers in the registration hall will be managed to ensure capacity rules are complied with. Please be patient if asked to queue outside.

To assist our volunteers, please arrive early, especially for the 2.5k event. Those swimming multiple events use the same timing band, but swim caps will be allocated for each event.

For those competing in the 2.5km event, please allow 15 minutes to walk from the Hall to the start line. Please deposit all unrequired personal equipment in the trailer provided at the 2.5km start line, and we will transport any swimmer gear to the finish line for personal collection. All gear must be in clearly named/marked bags.

COMPETE

Bins will be provided after the finish line to deposit caps and timing bands. If competing in multiple events, retain the timing band for the next event.

Open showers will again be provided after the finish line. Please move through this area quickly.

A freshwater facility will be provided at the finish line, but to reduce waste, disposable cups will not be supplied. Please ensure you bring your own water container and necessary supplies with you and dispose of any waste in the bins provided.

POST-EVENT

The top three finishers in each event will be presented with medallions as soon as possible after the last event finishes.

Any uncollected medals will be posted to winners after the event.

All results will be posted online.

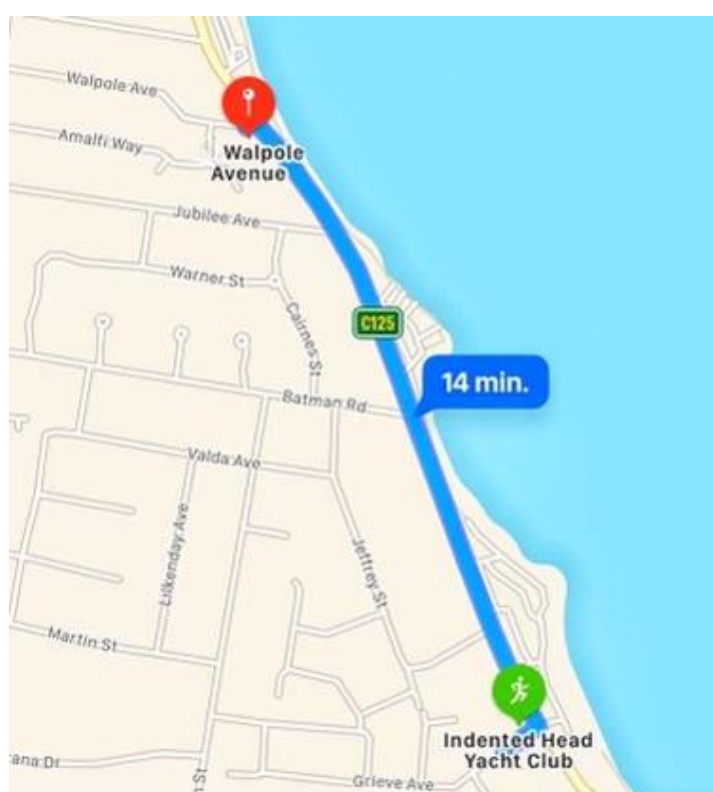

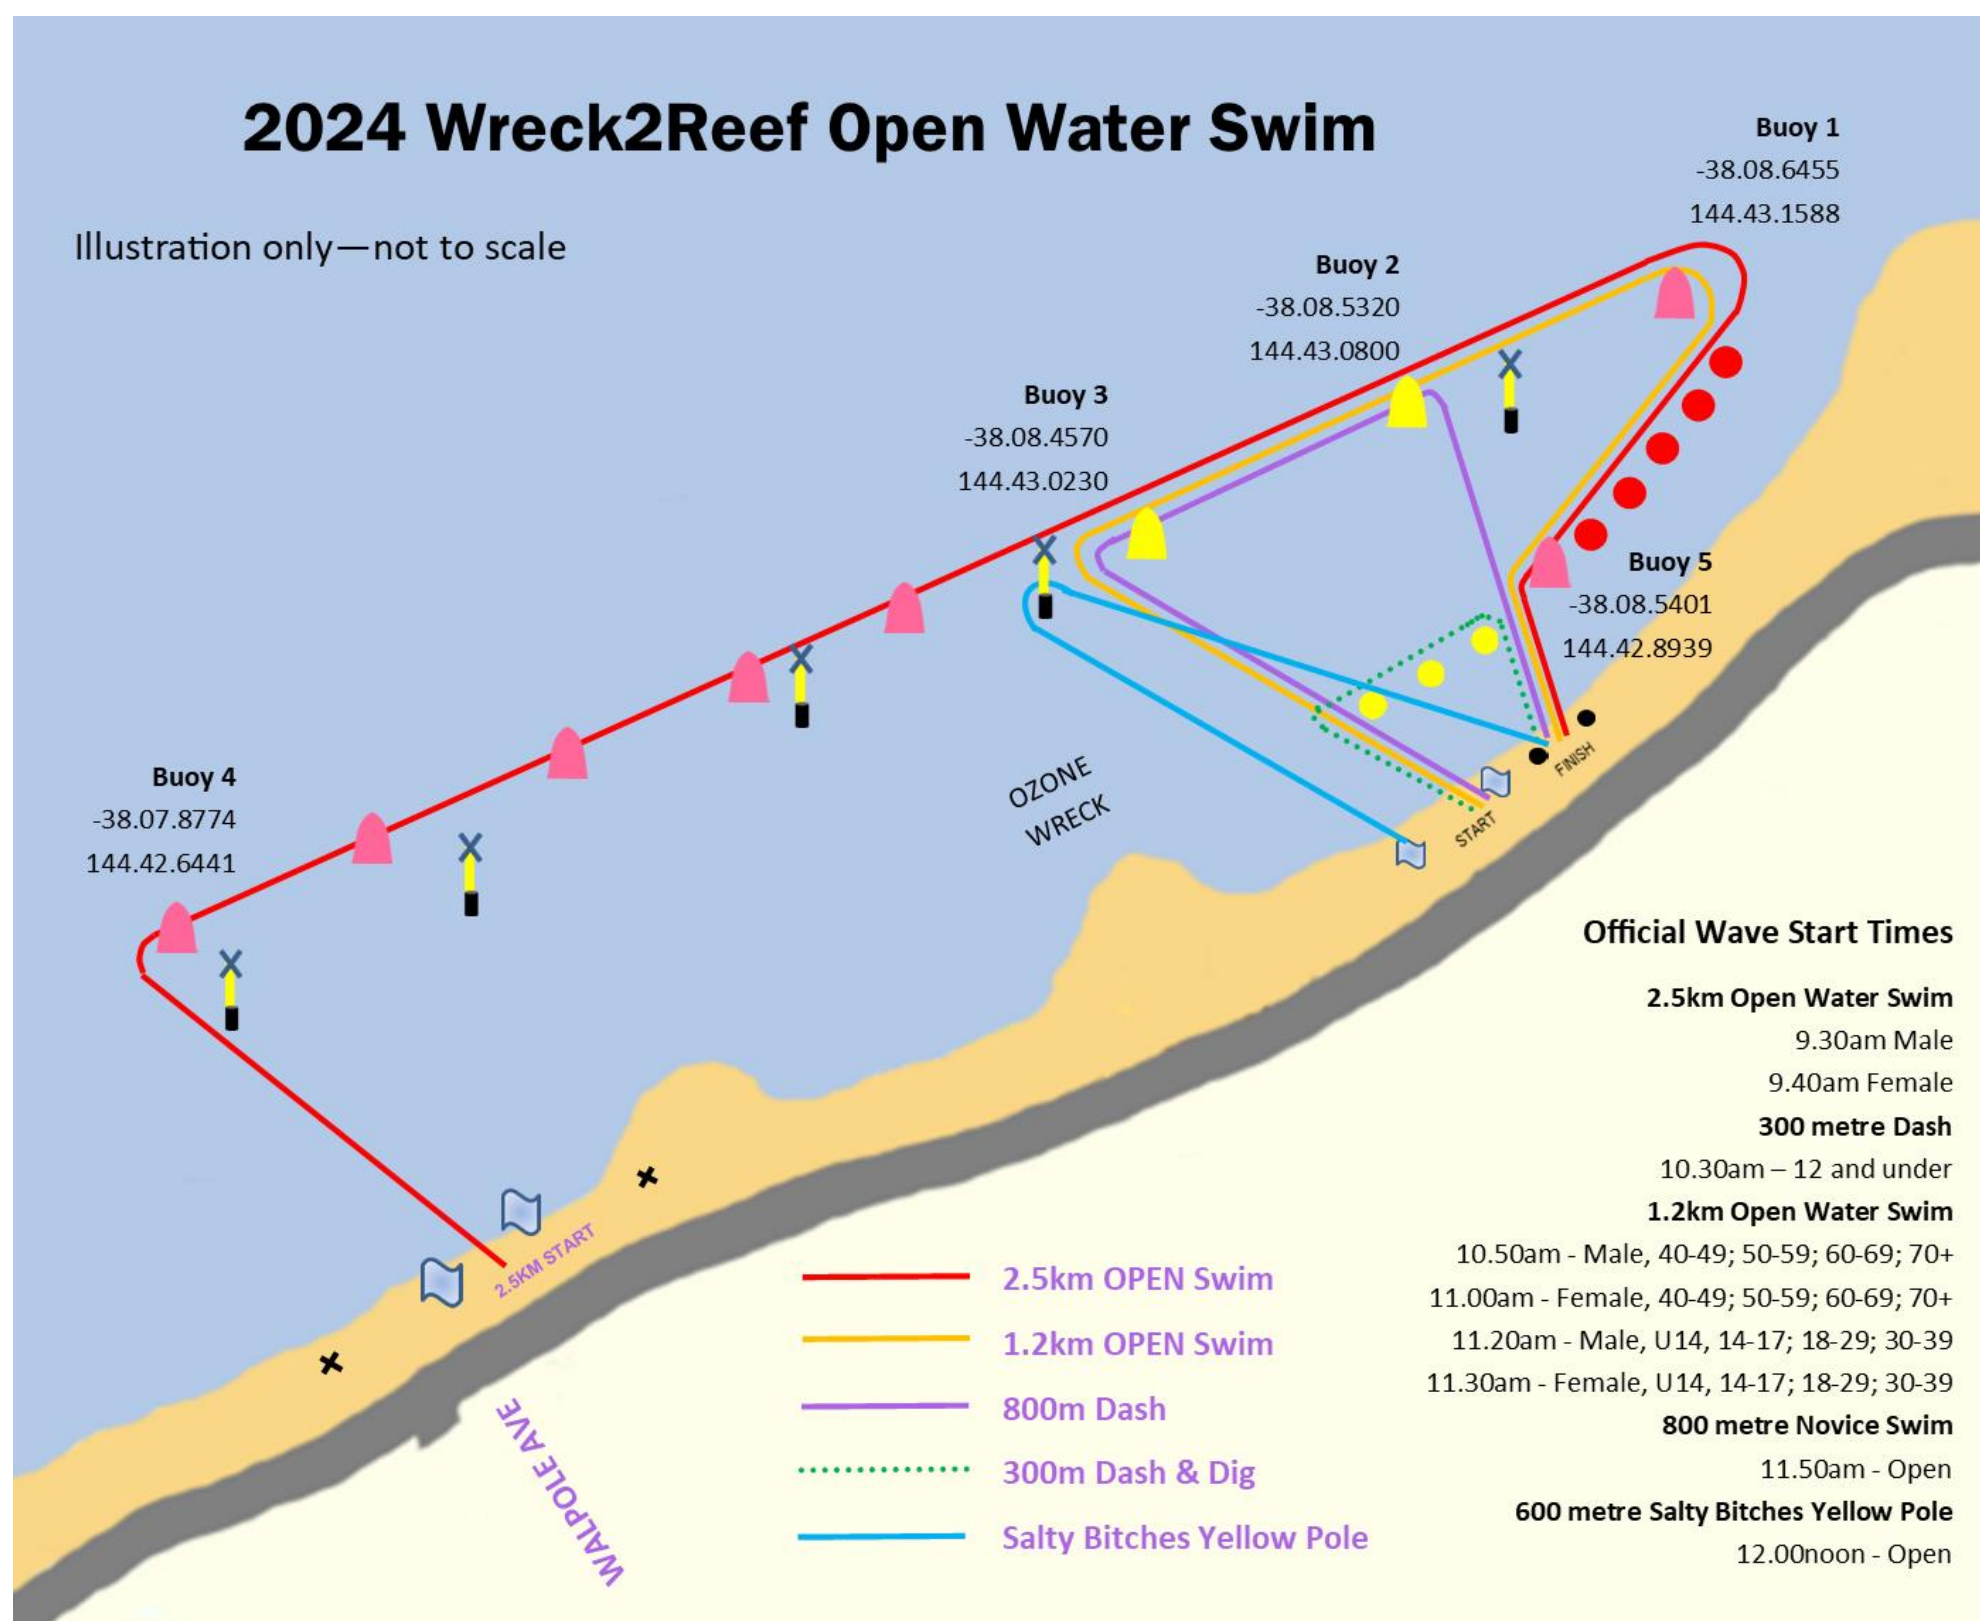

The coffee van will be available at all times during the day, and the Yacht Club will be running a BBQ. All purchases are to be made by EFTPOS.

Please leave when ready, and we hope you enjoy the day.
